“ *I love you Daddy and will miss you forever. I am so very grateful for everything you taught me and did for me (which was a LOT). I have so many wonderful memories of you and the things we all did together, but I was beyond happy to have you walk me down the aisle and dance with me at my wedding. Thank you for being the best dad a girl could have, and you will always be in my heart. All my love, Karen*

“ Karen, I know there are no words that can make things better at this difficult time, but just know that our thoughts and prayers are with you and your family. I have so many memories surrounding Mr. Buddy, but none greater than at your cousin's wedding (His name escapes me at the moment). I think you'll remember what I'm taking about.. My love to you and your family, especially Miss Pat.

“ Karen, we all love you and are thinking of you today and wish we were there to honor your father in person. I was given a special candle when Mom passed and I'm going to light it today in honor of your dad. It will be the first time to light it. My mom would approve! Love and hugs to your beautiful mother ... you are all in our prayers.

“ Karen, my heart goes out to you and your family. Your father gave me a great daughter to work with. I never met him, but his broad smile tells me all I need to know. My dad passed over 16 years ago, but not a day goes by that I don't remember all that he did for his family and taught me. Your memories of your dad will likewise carry you through the years to come.
