“ *“E” you had a heart of gold. I remember we were in Electrician class and I went into labor. You drove me to the hospital so fast, you was so nervous, we made it just in time. When I told what my baby name was you were so excited because Eric was incorporated in it. Take your rest “E”! I would like to send my sincere condolences to the family.*

“ *Eric you will be missed. Your personality was friendly and welcoming. You did not allow your disability to keep you from enjoying life. You were the life of the party.*
