“ *So sorry to hear the passing of Mr Ernie!*

His back yard backed up to mine. He always waved as I left and when I arrived back home. He also watched out for my elderly dad and would report to me as if he felt like my dad was in danger! I will miss his friendly waves and frequent conversations at the fence! Sending condolences to his family!

Noel and myself have been Ernie's next door neighbor for quite a few years now. He's always been friendly with us. Always wanted to lend us a tool or garden tool if we didn't have one. Will be sadly missed.
