“ *Mom, despite our differences, I thank God for so much especially knowing who I am. To love, being faithful, etc., for he multiplies. Acknowledging our mistakes is what counts in Gods eyes. Remember, you're in my heart now & always. Much Love, your daughter.*

“ Grandma, I'm lost without my "ride or die" partner. I find myself wanting to pick up the phone and give you the latest "gossip". I can't anymore. You will always be my partner in crime and my "gossip girl". I love you with all of my heart ❤️ and ask that you watch over me and lead me in the right direction.

Your #1 Fan,
Kim

“ My beloved Hope. I will always have happy memories of Hope. She was a big part of our family. We had many BBQ's at City Park and Lake Pontchartrain and enjoyed lots of parades together. My Mon and Dad would go pick her and Freddie up to ride out storms together at our house or the airport. She was my chauffeur on my wedding day. Although I moved to Texas 25 years ago, every time I came back home to visit I would stop and see Hope. We would get a Po Boy or Gumbo and just talk for hours. We would talk on the phone a couple times a week. Hope inspired me to become a Police Cross Guard for the Schools in Texas and i was very grateful for her support. Hope was a part of our family all my life, and I will love her always.

“ Joe, Sylvia, and Family, We are sad and broken hearted for the passing of your Mom and our great friend. Hope was a close and life long friend of our family and especially of my of my Mother and Father, Felipa and Robert. I have many cherished memories of the trips our family took to Texas, days we spent together enjoying "tamales", storms we weathered together, and the many short trips we enjoyed together. We will often remember Hope and those cherished times in our shared lives and adventures. She is and will forever be missed. Sincerely, Martha (Lazarine) Swider, Jim Russell and Martha's son David Britton who is Hope's God Son
