“ May I offer my sincerest condolences to the Capriotti family. I worked with Gene for several years at Southern Exterminating. I never heard a negative word or disparaging comment from Gene. He was respected and well thought of by all who were fortunate enough to know him.

“ One of the things that we remember about Gene was his love for my sister Anna Belle and his family. We remember how he worked two jobs most of his life to provide for them. Gene and I did not have brothers but shared the same interest and became brothers. Gene we will miss you and God Bless. Lloyd & Myriam
