“ *The loss of a loved one can be a very traumatic experience for any of us. At such times, everyone needs encouragement. I know because I've lost loved ones in death. Giving this support, oftentimes, involves assisting someone to see how to cope with this most difficult situation or discussing reasons for confidence in a better future.*

One way is to gain happiness from accurate Bible knowledge of God and his wonderful purpose for mankind. Jehovah promise a resurrection of the dead on a paradise earth.

Please accept my sincere condolences.
