“ *We are so saddened to hear of the loss of dear Frances. She was a lovely lady and added so much to our church. I was in charge of fellowship there for many years and Frances always blessed our events by baking and bringing her wonderful brownies. She would laugh and say that they were what Jack wanted! After he passed away, when the next event came up, I didn't know if it would be painful for her to make the beloved brownies. Sure enough, she came in with a big smile and a large plate of brownies. When questioned, she replied, "Of course I made them...Jack would have wanted that!" So kind, so loving, so giving, that was Frances.*

You know how much your mother meant to me and my family. She was a beautiful, thoughtful, kind, loving person. Please accept my condolences. Sorry I will not be able to attend today. She will be missed.
