“ Ed lit up the room with his infectious smile. He was leader great educator and everyone's friend. He was a true southern gent and believe a man was suppose to pay for everything. Ed was my mentor since 2008 and helped me grow Konnect with my Eyes and 2013 build Movers and Shakers network organization in BR. He believed in me like no other. For that I thank God . Together we worked closely doing events and reverse mortgage seminars he excelled at everything he did. He was a leader and educator to so many.Ed believed 3 things people go to event for food fun and be educated. I believe he is doing just that in heaven. I will see you one day till then may God hold you in the palm of his hand. Love you always my friend
