“ First--my thoughts and prayers to the family. My best memories were at the track--and crawfish boils. He is a good man and loved by many. I have found that it is hard sometimes to live a normal life when you lose a loved one. It's not like the grief ever goes away-- you just learn to deal with it better. He is in a good place. We should all try to live a good life so that we see our loved ones again. Your family is very close and I truly admire that. Hope all of you find peace and comfort in these times. My love goes out to you.
Sincerely, Doug Songy

“ My favorite memory of Uncle Tupie, is that we used to call him "Uncle Nubs" when we were kids because he'd always rake the palms of our hands over his beard stubble and it tickled! I also remember going to the racetracks in Shreveport and Lafayette - just one big happy horseracing family! We'll miss you.
