

Frank A. "Frankie" Hijuelos, Jr.

March 29, 1962 - October 5, 2014

Frank A. Hijuelos, Jr.

Received into the arms of Christ on Sunday, October 5, 2014. Born March 29, 1962, 52 years young. We celebrate our beloved Frankie, loving husband, precious son, cherished brother and father figure to his brothers and sisters. His joy for life was a gift to all. Whether seeing him in his crazy Hawaiian shirts or rainbow suspenders, we were sure to smile. Frankie's health problems were many over the years and he met them with a determination to live his life to the fullest.

Memories of the fun we shared traveling to places like Disney World, Hawaii, Washington, and California will live on with each of us. Weekend getaways in "The Country" with family and friends were special times. Frankie was a people person, a giver. He served others. His work at The Magnolia School brought him satisfaction and fulfillment. His friendships with his coworkers and the bonds that were formed meant so much to him. The teamwork, the camaraderie and the "Hamburger of the Month Club" brought them together to the benefit of all they served.

Our lives will forever be touched by his being a part of them: his wife, Sidonia; loving mother, Sandra; father, Frank; siblings, Lisa, Stephen, Jennifer, Mark, Christine, Danielle and Sarah; nieces and nephews, Christian, Ben, Brittany, Jonathan, Matreya, Luca, Willow, Nathan, Gabriel, Alex and Max.

We, his family, extend an invitation to attend a memorial service in Frankie's honor to friends, co-workers, clients, their families and all who have been such

a meaningful part of his life. In tribute to Frankie, Hawaiian attire is welcome. Visitation will be held at L. A. Muhleisen & Son Funeral Home, 2607 Williams Blvd., Kenner on Saturday, October 11, 2014 from 1:00 to 3:00 p.m. with mass to follow at 3:00 p.m. In lieu of flowers, the family requests that donations be made in his name to The Magnolia School, 100 Central Ave., Jefferson, LA 70121 or The American Kidney Fund, 11921 Rockville Pike, Rockville, MD 20852.

“ *"The pain we feel when someone leaves our life is in direct proportion to the joy they bring while a part of our life."*

Frankie had a zest for life and lived it to its fullest. He always put others first and helping others brought him great joy. Frankie had a special way of making people laugh with his colorful, sometimes outlandish clothes and his crazy antics. You never knew what he was going to do, but you knew it was going to be entertaining. Even when he helped me paint my house, we had fun. We listened to music that ranged from Beethoven to Metallica and everything in between. We laughed and talked about anything and everything. Frankie was always there when I needed him, in the best and worst of times.

I could write for days and never cover all the things that he helped me with and saw me through. Frankie could be serious and very intellectual, but that wasn't the sides he showed most often. It was his outgoing, compassionate and ridiculously funny sides that made him so loved by everyone. There are no colors bright enough, bold enough or mixed together that could outshine Frankie's personality and smile. He was my dearest friend and I will always remember and miss him.

Party on and keep them laughing, dude! See you on the other side.

“ So sorry for the loss of such a kind and loving young man. Your time here was much too short, but your life made a difference in the lives of many. The world is a better place for your having been in it. Rest in peace, Frankie.
