

## Frederick Keith Agnelly

December 8, 1968 - November 5, 2025

Frederick Keith Agnelly, born in December of 1968, passed away peacefully surrounded by his loved ones on November fifth of 2025 in Kenner, Louisiana. Keith, the first male Registered Nurse to graduate from the Mississippi University for Women, had a profound and positive impact on everyone he met. His friends, family, and coworkers knew him for his generosity of spirit, patience, humor, and sometimes obsessive hobbyism.

A devoted and loving father of four beautiful children, Keith is survived by his wife of thirty years, Lillian, his daughters Tara and Alexis, his son David, his mother Faye, his siblings Kim, Dawn, Kathy, Lori, Sherry and Stacy, and his stepmother Jackie. He is preceded in death by his daughter Candace, his father Larry, and his sister Wendy.

Keith's warmth, humility, and strong sense of morality have served as an inspiration to everyone lucky enough to have known him. He will be sorely missed.

Relatives and friends are invited to attend the Memorial Service at L. A. Muhleisen and Son Funeral Home, 2607 Williams Blvd., Kenner on Friday, November 14, 2025. Visitation will begin at 5:00 pm with a Words of Remembrance Service to begin at 7:30 pm.

To share memories or condolences, please visit [www.muhleisen.com](http://www.muhleisen.com)

“ I had the honor and pleasure of working very closely with Keith at Charity in the 9 years that I was there. We shared our office and did a lot of nursing education and other things together. Keith was such an awesome person and so great to be around. He made me feel welcome and comfortable at Charity, he was an incredible teacher, a kind and humble soul and underneath all that goodness he had a really good, dry sense of humor. Like many people have already said, he really impacted nursing in the Charity ED, through overseeing and directly orienting the many new nurses who came to work there and then keeping an eye on all of them as they evolved into excellent nurses who really knew how to take care of patients. He was truly a gift to all who knew him and he was also a great role model, in his ever cool and calm way. No matter what happened, Keith was a soothing, competent and compassionate presence. Personally, he was a tremendous help to me with all the many projects we got involved in, including the SANE program, the ER Galas and all the other things that we did. He always told me he was going to teach me how to say “No” but I don’t think even he could make that stick. His love for his family was ever present and a huge part of him. Lillian, Alexis, Tara and Dave; I felt like I knew them long before we met. The world has lost a great man but his family and all the nurses he taught will continue his legacy. Keith Agnelly, I want to thank you one more time for being the generous, kind and caring person you always were. You will be deeply missed and always dearly loved.

“ I had the pleasure of meeting Keith through Lillian when she became my Regional Director, and I was immediately taken back by their selfless love for people. Keith quickly became a mentor to me—not only in my professional life but also personally. He guided me through finances and life decisions, always keeping me in line with that signature side-eye and smirk whenever Lillian or I wanted to spend money he knew we shouldn't!

*I feel truly blessed to have shared time with Keith, not just as a colleague but as a dear friend. I'm forever grateful for his guidance, his wisdom, and for accepting me as “the work daughter he never asked for.”*

*To Keith, Lillian, Tara, Alexis, and David—please know that I will always identify as an Agnelly :) and will always be here for anything you need, just as Keith was always there for me.*

*Rest easy, my friend. You will be deeply missed and forever remembered.*

“ I got to know Keith through the aquarium hobby and have been helping him along with his extensive hobby for the past several years .. and not only have I had one of the best clients but have gained a real friend! This is such a shock and horrible surprise.. but it has shown us all . Our time is very limited on this earth and tomorrow is never guaranteed! Make every day the best day even when it's not going your way! Love you buddy ! And don't worry I'm teaching Lillian about the fish and coral "making sure big Naso tang is spoiled rotten" so she can still have the best aquarium in Saint Charles parish! I hope when my time comes you will be there so we're can continue our conversations! R.i.p to a good guy a great father and recent grandfather.. I'll never forget seeing the pure love in your eyes when you looked at my granddaughter! Till next time buddy

*Keith, I didn't have much time to get to know you while you were at St. Charles Parish Hospital. But you always exhibited a mature stature. I was a House Supervisor, and I spoke to Keith often while at work. I also knew Lillian for several years while at St. Charles Parish Hospital and when Lillian was in the ER. One of my fondest memories of Keith was his mild mannerisms. He never seemed angry. He always had the same demeanor. I never saw Keith angry; I never saw him in a bad mood. His smile was radiant. Even though I don't work at St. Charles anymore, I still think of Keith and I will continue to pray for him. Lillian, I will always love your laughter and smile. I will be praying for you and your family for as long as it takes. Keith had such a short time with the little grandbaby. I will pray for the whole Agnelly family.*

*Sincerely Gerie Bourne
