“ *Freddie, you have touched each of the Schulin's lives in a special way since we met you many years ago. You've been a good friend and neighbor always with a helping hand, a friendly smile, full of fun and laughter, and a playful nature with all the kiddos. You were Shane's true buddy at heart and like an uncle our kids never had. Nick says "Debo on the bicycle" will always keep us laughing here on Westover, and Shaina will miss her football bud. All the fun times will be cherished. Your legacy will remain alive through your two beautiful girls. Your memory will remain in our hearts forever. Rest in peace with our Lord.*

“ Time is fleeting, life is busy and we never think or realize how precious a moment is. Freddie was a kind, generous spirit. He took the time to help if asked or to inquire on your day, or your life or to tell a joke. His time here was short but he made a huge impact on those who knew and loved him. He is and will be missed by all those he touched. A wonderful father who devoted his everything to his children, Godspeed, I am thankful to have known you.

“ To Freddie's family, you have my heartfelt sympathy for your great loss. I wish I could've known Freddie better as I've only been with AMA/Lucky Coin for two years. But, in that short time; I sure liked him. I was very ill at work one day and Freddie stayed beside me the entire time trying to comfort me until my son came to take me home. He never left my side and helped me along with my son to get to my vehicle. I will never forget him, if only for this, for he was a good and kind man. Lyn Marque
