“ *I'm so sorry to hear of Fred's passing He was always kind and considerate to me and Ulysse loved him so much, no matter how much they bickered about which way was best to do something on a jobsite! They were definitely two peas in a pod. Lol. Rest in peace, Fred; light one up, take a swig and ride like the wind with Ulysse and all who have gone before you. You will be missed.*
