

## Frederick Charles Hauck

October 26, 1938 - May 1, 2020

Frederick Charles Hauck, born October 26, 1938, took off for a new adventure on Friday evening, May 1, 2020 at the age of 81. He was a native of New Orleans, LA, and a resident of Saint Rose, LA. Beloved husband of Gloria G. (Tschetter) Hauck. Father of Melissa S. Hauck, Kristina L. Hauck, and Aaron C. Hauck. Grandfather of Brianna G. Hauck. Son of the late Edward H. Hauck Sr. and Elvin M. (Caruso) Hauck. Stepson of the late August J. Ciccio and Anne M. (Laborde) Hauck. Brother of Larry A. Hauck and the late Audrey M. (Hauck) Barrios, Elvin "Pat" L. (Hauck) Ohler, Edward "Junior" H. Hauck Jr., Delores Hauck, Stanley "Sam" J. Hauck, and Sylvia Hauck. Also survived by many nieces and nephews.

Fred was born into a family of musicians, shopkeepers, restaurant owners, fishermen, and seafood sellers. He grew up in the 1940's, fishing, riding his pony, and teaching New Orleans' tourists how to eat blue crabs at his mother's restaurant, Evelyn's Restaurant, on Hayne Blvd. The restaurant was built from the ground up by his family, and also served as the family kitchen. As a young adult, he worked over 25 years on the Mississippi River as an exceptionally talented crane operator and longshoreman. In the spring of 1962, he was drafted into the army and served two years as a textile repairman, during which time he did a bit of parachuting and plane flying. During his life, he also worked at the fairgrounds, as a commercial fisherman, bar owner, seafood seller, lock maker, courier business owner, and did extra/stunt work for movies. He was never afraid of hard work, always showed up an hour early,

and was a man of integrity, ethics, and honesty. Between these years of work, he serendipitously stumbled into his most cherished roles of husband and father when he met the love of his life, Gloria, on the Lido deck of a Carnival Cruise in June of 1980. After several months of letters, phone calls, and a few visits, they married on December 20, 1980. His favorite place was on the water in his boat, or pedaling out his kayak with a fishing pole or crab nets in hand. He loved singing old country karaoke with friends, bike riding, betting the race horses, and day trips to the Mississippi coast with his Gloria. He deeply loved having his family gathered together, entertaining friends and family over his homemade gumbo, singing, storytelling, and laughter. He loved and cared for others, gave generously, and always showed kindness and compassion. The best of him will continue to live on through his wife, children, granddaughter, and the lives of those he has touched.

Cremation by L.A. Muhleisen & Son Funeral Home. A celebration of life will be planned at a later date. Please consider sharing your thoughts, favorite memory, or condolences at [www.muhleisen.com](http://www.muhleisen.com)

“ OHHHHH FREDERICK.....Where do I begin? The joy, love and laughs you have given me over the past 40 years have been FABULOUS! But, it was cut short and I want to rewind and do it again. You were truly an "amazing husband, father and "ooooopa".....and we ALL MISS YOU TERRIBLY! So many days and nights I cry my heart out, wondering how I can move forward, how can i go on, without you by my side. It's been so hard not having you here with me. I miss your "beautiful smile", your "gorgeous bedroom blue eyes", your "big awesome hugs" and your "sweet kisses". I miss your "LOVE" and your "TOUCH". I miss going fishing with you and biking with you and our rides to the coast and going out to eat and of course those "AWESOME BACKRUBS". Oh Freddy, life is so difficult and will never be the same. Living without you is so so hard and so so painful. Melissa, Krissy, Aaron and Bri have been "fabulous" and are here for me in so many different ways, but I miss you so badly. We truly made the BEST, when we had our children and grand daughter. They are extensions of our LOVE for one another and we get an A+ in that area. So, the question is? When will this pain end? When will I be able to realize that you're not coming back to me? When will I be able to live and breathe again? The answer is "I DON'T KNOW"! In some ways I don't want the pain to end because the pain is how deeply I LOVE YOU! I don't ever want to forget that and I WILL NOT EVER FORGET THAT. The LOVE we shared for one another was sincere and real. We honestly can say, we had a "FABULOUS MARRIAGE" and I am thankful for that day that I met you on the Lido Deck on a Carnival Cruise back in June of 1980. Oh Gosh, the fun we've had over the years. Tennessee trips with the kids, Florida beach trips, barbecues in the backyard, karaokeing with friends, cruises and of course our special times "alone". I thank you so much for asking me to be your wife. That was the BEST decision I could have ever made in my life. We did have a few bumps in the road, but what relationship doesn't it? If we ever had a problem, we FIXED IT .....never ever thought about throwing in the towel. Fixing something was our solution and we were ALWAYS able to do that. This is not the end Freddy.....I will one day join you on the other

side. My only demand is this....."when I reach those pearly gates, your soul "BETTER NOT BE HOOKING UP WITH ANOTHER SOUL" lol lol "YOU HAD BETTER WAIT FOR ME" and be watching and ready for my arrival. I need my Freddy to give me a big welcome home hug and kiss and take me by the hand and lead me into eternal love to be present with our LORD and YOU.....FOREVER AND EVER. Until then.....I want you to know, "I MISS YOU SO VERY MUCH AND I WILL LOVE YOU NOW AND FOREVER". You're my GUY and I am SO SO VERY HAPPY that I was able to be your wife and spend almost 40 awesome years with you. XOXOXOXOXOX Love, your gloria

“ When Fred was in the he soft shell crab business, he had a really efficient set-up on the porch in his backyard. One day when I was visiting Gloria at their house, Fred patiently explained how the set-up worked and the process of raising, cleaning, and preparing soft shell crabs. I was amazed and appreciated the enthusiasm he showed for his business. I'm so thankful that Gloria was blessed with such a fine man. Karen Tyler

“ Roy and I met Fred and Gloria many years ago, when we were hosting karaoke at The Cozy Corner (which is now Dolly's Bar). Sometimes Gloria would stay home, but we could always count on Fred to show up. I loved his style of singing old country songs. He was also great at picking crabs! We bought some crabmeat from him and it was delicious...no shells! Our best memories were when Fred and Gloria joined us for our 40th Anniversary Cruise just 4 years ago! We had a wonderful time and made memories to last a lifetime! His love for his family was SO SPECIAL! Thank you for inviting us to visit with him just a few days before his passing. That meant the world to us! We love you Gloria, Aaron, Melissa, Kristina and Bri! Our prayers are with all of you and we are here for you FOREVER!

“ *What I passionately remember is from the first time I met Mr. Hauck was how tender and balanced he was as a family man and just as a man. I pinpoint this because though it's not an easy thing for many males to do, Mr. Hauck displayed and functioned in this because of his pure spirit, precious heart and tender spirit towards his family and people- period.*

*His spirit, love for music and his love for his precious wife and wonderful family says it all.*

*I love you Mr.Hauck.  
A true monument to life.*

“ Although I never knew him but for a couple of years I really became a close friend. It was obvious early on that Fred and Gloria were special people. When they would enter a bar where we were singing. the whole place would lighten up. I can remember standing in line to greet them. SIGH You could really feel the love. Lynn and I moved into their neighborhood . Fred was always so energized he would call me at 6 in the morning to ride bikes around the neighborhood. Needless to say I couldn't keep up with him. Thank you Fred for the bike and the memories. Lynn and I will keep the Hauck family in our thoughts and prayers.

“ Fred will always hold a special place in my heart , he was a genuine guy and was loved by many ! I really never met anyone quite like him and I don't guess I ever will again and I mean that in the most respectful way ! He had a heart of gold and often told me if I ever needed him , just call and he would be right there and that meant a lot to me . Also I think he knew I would do the same for him as well. I am also eternally grateful that I was one of the ones he called just a week before he passed away just to shoot the breeze and tell me all he was going through . Also I would like to thank his family for setting up a last visit with my buddy just days before his passing , **THAT MEANT THE WORLD TO ME !!!** Fred will live on through his wife kids and granddaughter so remember guys ,he will always be watching so don't make any mistakes ! Lol , Love y'all and I pray for your family daily .
