“ *I was sad to learn today that Dr. Garrett had passed. I was one of his patients, and I had been going to him since I was 8 months old and I am now 48. I went to him up until his retirement. All my children were patients too since they were infants. He was a kind and generous man and absolutely the best chiropractor in the world. May God continue to comfort the family. He will be greatly missed!*

“ Doc,
We did a lot together..Built a barn, built a house, built a farm. Raised
horses, raced horses. Now you're on to Book II. I hope I have a few
chapters left in my Book I. Turn the page and ride on!!

“ We are so sorry for your loss. We will miss his jokes and his kindness. When we lost Donald, most of us were living pay check to pay check. Mary Ann and Freeman were so kind, they purchased cemetery plots and paid some of the other expenses. On our last visit, he took us to dinner and filled us with more comedy than food! Although we are miles apart, we will always keep his beautiful family in our minds and hearts but especially so during these next few days.

Love, Bob and Marcella, Mike, Mindy and Noah Stackhouse, Kim, Emily, Courtney, and Grayson Ayler, Trish, Randy, Morgan, Makenzie, and Maddie Miller.
