“ *HAPPY FATHER'S DAY*

Dad, You have departed this earth. But I know where ever I am, you are near and this day is yours, it is dedicated to fathers and you will always be mine. So Happy Fathers Day as I know you are beside me this day and looking after me always from above.

I Love You, Dad

*YOUR DAUGHTER,

“ We buried your ashes beneath a young live oak planted on Chateau golf course (which will now be your second home, his house also being on the golf course). We had a nice gathering, including Pam Auer Roth, Vicki Auer Wilson, Joey Auer, grandson Jack Auer, his two sisters, Beatrice Daspit, Marilyn Schott, nephew Gary Savelle, and Fran Auer. We read some prayers as we poured his ashes, put a stake in the ground with a gold emblem in his honor in front of the tree, and said some goodbyes. It's around the corner from where many of us live, and we pass the tree almost every day, so now we can yell out, "Hey, Dad! Love you!" as we go by. And what golfer wouldn't want to be buried on a golf course? So I think we did a good thing, and now we have a place to go visit him. Missing you, Dad...

YOUR DAUGHTER,
VICKI

“ • *To the Auer children ,*
• *My deepest sympathies for your family at this time. This man was truly a great friend and mentor. I learned a lot from Gary between work ethics and life lessons. My family and Gary shared many memories that will never be forgotten. He always had a smile on his face and love in his heart. He was a GREAT man like a father to me. My family and I have known Gary for over 25 years due to the construction business and we are honored to have known such a man with his wisdom and big open minded heart. May God comfort your family at this time in your life. CATCH YA LATER!*

“ *Pam, Vickie, and Joey, Its been a while but we all had really good times together. From New Years parties to working at Jazz Fest. Heck even just hanging around the house. He always had a smile on his face and love in his heart. He was a GREAT man with a Giant Heart that opened to everyone. I am honored to have been blessed with the pleasure of having the opportunity to get to know him like I did. He did a lot for me. Love you all!*

Although this seems belated- I want to let everyone know that besides being a great dad, grandad, husband, uncle, and friend, he was also a very very thoughtful and loving brother to his 4 sisters. We always had a good relationship - this seemed to be his specialty - and wouldn't, by most people be considered an ideal situation, sandwiched between 2 sets of girls. But he did it well - perhaps those were the testing grounds for his diplomacy. We can't imagine life without him. He will always have our love and thanks. June Babatsikos (sister #2)
