Gary is a great friend and brother LEO. He is also a fellow brother in my Masonic Lodge. He will be missed. He is now standing at the gates of heaven with St Michael. I know he has already joined those who have gone before who love to ride. Gary leaves a legacy of honesty, integrity and truth. His spirit will live on and he is a great example to those who vow to the law enforcement profession. His illness may have got him down but his spirit was always high. Ride brother and friend Gary. I can't wait to see you again in heaven where we can exchange war stories from times with Gold Cross and The JPSO. Retired Detective Roy Leonard, JPSO.

“ Thanks for being my friend. You brought me to my first retreat bringing me closer to God. From the first time we met at the parish line with the confused drunk in the back of your unit, we shared a unique friendship. It was always smiles and laughs when we got together. I know you are cruising the roads with Christ, and you don't have to wear a helmet. Thanks for being my friend.

“ Gary and Wayne & I have shared many memories together since our early childhood because we were each related to him as 1st cousins, Wayne on his material side and I on my paternal side. So we all shared many family activities. My Mom Earline and his Mom Essie and me recruited him at least 2 or 3 times to ballroom dance with me, or my friend Judy, at our recitals. He was a great dancer and had good rythem. At family parties or weddings, we'd look for each other to dance the chitterbug or cha cha! Gary was a wise cousin to talk some things over with because he was a good deputy and detective. He has given many of us good advice over the years. We'll miss you, dear cuz. Now you can rest in peace and comfort with our Heavenly Father!
