Gary owned Champagne's Piggly Wiggly in Galliano for approximately 14 years, and he worked for Doerle Food Service until he retired in 2018.

Ever since getting married to his high school sweetheart in 1971, camping was his dream. Since his retirement, Gary and his wife Phyllis had been traveling the United States. They visited 38 states, meeting so many wonderful people they called their Camping Family. Gary never met a stranger and was loved by all.

In retirement, Gary began making walking sticks - selling some, but mostly giving some away to people he knew were in need and even donating some to Relay for Life.

The family would like to thank North Oaks and Dr. James Parker as well as the doctors at Our Lady of the Lake Hospital and St. Tammany Parish Hospital for the care and compassion they provided.

“ *I am so very sorry to know this has happened seemingly way too early; but what God wills, we have to accept and pray for strength b/c it can be overwhelmingly difficult.*
As I reflect on Gary, and your posts, I do believe he had his "mama's" gentle spirit as he left his love with all people! I've always loved this family in a very special way.... And I will remember him and the family in my prayers always; that is what "family" is for! Phyllis, God give you HIS strength and give peace to his soul.

*Phyllis, I will pray for Gary's soul and for your peace when I attend Mass tomorrow morning. I will also include both of you in the prayer group that meets to pray each day after Mass. When I return home, I will have copies of passages pertaining to losing a loved one for you.
