“ *Gary, rest easy buddy. Instead of me, you know have Sister Carmelina to contend with once again! She'll set you straight as always. I know you will be spreading smiles and joy with your goofiness up there in heaven. You are missed my friend. Sleep well.*

“ To Gary's family, We know that there are no words that we could say that would take away your heartache. Please know that we have all of you in our thoughts and prayers for peace and understanding of our God's life plan.

When we were in the hospital with our Brittany a priest came into ICU and prayed with us. He said that we are all put on this earth to do our own mission and when God sees that we have completed our mission our reward is to go home to Heaven and live in paradise. Gary now lives in the hearts of all who knew and loved him. Try and think about the wonderful time that you were blessed with Gary being here on earth with you. We will all meet again in time. Grief is like a roller coaster that you did not chose to ride, but now you have to deal with all of the ups and downs. Always remember tears help soothe a broken heart. It never gets easier it is just different from now on. We will keep praying for all of you. Please take care and take what ever time you need to grieve. Everyone grieves in their own way. You are welcome to call me if I can be of any support to you or your family. Sad to say, but we feel your pain because we are living through our pain. Loss is never easy. Be nice to yourself. Hugs and blessings, Ellen and Larry DuVernay Gulfport, MS Elevator Union #16

“ It is with deepest sorrow that I learned of Gary's passing. Gary was very close to the Moran family through his friendship with my oldest, Bill. We always felt he was my fifth son. As boys will be boys, Gary and Bill provided me with concerns that boys will. And they presented me with lots of concerns. Through it all, I knew he would grow up to be the kind of son parents would be proud. Gary, when you meet up with Danny, try not to get into too much trouble until I can get up there to bail you all out. May the Peace of Jesus be with you.
