“ Some of the best times coaching with Earl. We both loved fishing. Lost touch with Susan and Earl but they will forever be in my heart. I'm sure Earl and A.J Musso are enjoying being together in Heaven.

“ I was sad to get the text from Susan that Earl had passed away. "Mentor" was a great descriptor to describe Coach Yeomans. As a new teacher at Barbre Middle School, I immediately hit it off with Earl, Tim and Susan. Coming from the private school sector, I had a lot to learn about the public school. We had some great times way back then and that friendship has lasted through out. I'd often stop by and visit coach on my way home, but hadn't been by since the Covid mess started. I did call early on, but am now remiss that I hadn't checked in lately. Rest in Peace, Coach. Susan, let me know if there is anything I can do. Mike Bengé
