“ My daddy! Words can express the love we have had. We've had our ups and downs but never once did you hold them against me. You've only held me tighter and never let go. I know you will always hold that peice of me of the man who loved me first. ❤️

You were very loved by all who knew you. I will cherish the memories I have. I can still see you sitting in a chair on New Year's Eve. My husband was entertainingvsteven and Blake with his stories and they were laughing so hard. You nor they went outside for the firework show. Youvsaidcyouvwere having too much fun watching the boys laugh. You were a joy to be around. I know where you are now in a beautiful peaceful home.
