“ I have known Gladys for over 20 years when she was an LPN at Chateau in Kenner, and have kept up with her since then. She was a tribute to the nursing profession and a kind, wonderful and compassionate person. I remember Jason as a young boy, and of her great devotion to him. We had a long and heartfelt talk several months ago in person, and I am so grateful for that time. She lived everyday to the fullest. It was my privelege to be her friend. My sincere sympathy to her family and friends. Patrick Foret

“ " I rember last Christmas, She loved the christmas music on the P.A. system. Dispite everything she was dealing with she still cared about her residents. She was a very caring person and will be missed by all her residents. The saints have another angel cheering them on." Resident G.H.

“ So hard to say goodbye, you were so special to so many people. I will treasure the four years I have known you and remember our fun and crazy times especially at the Saints games! So much more than a co-worker.....truly a best friend and one of the strongest women I have ever known. Love you so much.
