“ *We are saddened to learn of Glenda's passing. The LeBlanc family were neighbors to Glenda's family when they lived in Airline Park. We lived across the street from them. Our sympathies to the Trosclair and Jatho families.*

“ I spent many, many years working with this wonderful woman, side-by-side. During annual Partner meetings, Partner training - anytime - I would refer to her as my left (and right) hand woman. She was the heart and soul of the company - even more than the backbone. To know Momma G, was to love Momma G. My son Jacob also has fond memories of Momma G, we reminisce often. My years spent with Glenda will always be some of my most favorite. You lived your life as a true servant leader, a life well lived. Every life you touched, and there are thousands, you made a positive difference. We were blessed to have known you. Rest easy, my friend. We are praying for peach and comfort for Glenda's family and the Space Walk family.

“ Ms. Glenda was always there to help out with any question we had and no matter how many times she has probably been asked she always treated you like you were the most important person she had talked to that day. She will be missed.

“ It was a privilege to work with Glenda for the many years together at Space Walk. It was a great blessing to have her in our lives and as a dear friend who we loved spending time with at work and outside the workplace. We enjoyed many Saints and VooDoo games together, dinners and some awesome Spades games with her & Woody. She was a special lady who will be missed by all whose lives she touched. Our prayers go out to her family. Comfort and peace to you.

“ On behalf of the Frank Mials Scurlock family I wanted to say what an honor it was to work with Glenda for over 20 years at Space Walk / Inflatable Zoo family.

I had the opportunity to hire Glenda in the early 1990s and worked with her daily until my retirement. Glenda was unselfish and always lifted everyones Spirt day or night. She was the backbone of our little National company in Kenner. She was the first to arrive and always the last to

Leave. Quite frankly I don't think she could say the word "No" and I know first hand she would never leave when I told her it was time for dinner.

She was the go to person for everyone no matter how small or big. But most of the Time she was that Ray of Light and Hope everyone wanted and needed to hear. It always started with her beautiful Smile.

Over the years her efforts with the home office team served hundreds of thousands of events among hundreds of locations. She had and made the Time for each and every need. Yes, she was and is the glue that held the company together through any time or issues. Storms of life come and go but Glenda guided everyone with an amazing ability you could Trust.

From the bottom of my heart to the beautiful Clouds in Heaven you will be missed, loved but never ever forgotten. Space Walks Bouncy mascot has a tear running down his face.

Thank you for all you did, still do and enjoy your rest at peace knowing you did an amazing service to many on this place we call Earth. God Bless.

“ *I have never met Mrs. Glenda, but I know that she was an incredible person. My best friend worked with her and Mrs. Glenda overheard her talking to me about my phone getting disconnected. We have a new baby and were having a tough time financially. Mrs. Glenda paid our phone bill. She had Amy get in touch with my daughter to get the account information and just paid it. Mrs. Glenda restored my faith in true human kindness and I will be eternally grateful to her for that.*
