“ *Dear Susan and family, I had the pleasure of meeting Glenn a couple of years ago from mutual friends. I immediately enjoy talking to him with his quiet disposition. He was the movie & TV buff for sure. You could ask him about any of the above and he could tell you when it was on TV or at the movies and who the actors and actresses were. He took his illness in stride. He enjoyed all the time that he had with you Susan I am sure. You have been a wonderful great sister for him. The time that you two reconnected was truly a blessing. May God bless him and bring him to eternal rest. Amen.*

That's the cousin I remember. I am sorry to hear this. I will never forget all the fun times we had together, the Black Hills of SD and the Mardi Gras just to name a couple. My sincere condolences
