“ Terry, So sorry to hear about your Mom. She was such a sweet, happy and lovely lady. I guess the urge I had to check on your family was really a part of Gods plan. I know how she loved you and how special she was to you. You were the joy and sunshine in her life, that was evident in the many times I answered her calls and we talked about you. Your family is in my prayers and I know your faith will help you through this difficult time. Love you like a brother!

“ Terry and Linda ~ So saddened by your loss. Mothers are special ladies and there is a big void when they leave us for their heavenly home. Rejoice for her and know that she is in the hands of our Lord and Savior, Jesus Christ. Love to all.

“ My husband and I were so sorry to hear about your loss. Gloria was one of the most devout Christian women I have ever met. She was always so grateful to God for his many blessings and she could find the good even when her circumstances were difficult. When I could tell by the way she walked that her knees were bothering her, she was always positive. One of my favorite things about Gloria was her ability to laugh. Seldom did I have a conversation that did not contain laughter. She will be missed. We have you in our prayers. Herb and Pam Bennett
