“ So sorry to here that she passed. Aunt Grace was my second mom as a kid. My best memories are spending time with the Wilsons. Growing up with her, Uncle Jack and of course the Wilson boys was so much fun. She was so proud of her sons and all of her family. Even at her 90th Birthday party all she talked about was her kids, grand kids and great grand kids. I will definitely be there on Thursday.

“ What a beautiful lady inside and out always smiling . Grief is learning to live in your heart instead of your own arms . Grace you'll be well missed ,but you have a special place in my heart .I still see that beautiful smile

“ Sending my deepest condolences to all. May her memory live within all of her loved ones. May her pineapple upside down cake, hot cross buns & lemon Bundt cake (my personal favorite) carry through all generations. Let's never forget her 2 ice cube rule in a 1/3 filled glass. What a wonderful woman she was. Lots of memories made with her sweet smile always engraved into my heart.
