“ *Mary Ellen,
My deepest sympathies on Greg's passing. I saw him not long ago walking in Audubon Park and he looked good but had no idea he was ill. I am so sad. He was an excellent engineer and a great guy. I know how much family meant to him. Take care.*

“ So sorry to hear of Greg's untimely passing. He and the entire Chlup family are very much a part of the fond memories which I hold while growing up in Belize and especially on the foreshore after Hurricane Hattie. His parents were very close friends of my parents, and even though a year behind me at SJC, I always considered him a close friend. My condolences to Mary Ellen and the rest of the family.

“ We have been friends since childhood way back when his family moved from Jamaica to then British Honduras, drifting in and out of direct contact as both of us moved around; we always sort of caught up when we were back in proximity to each other. Greg was always just a straight-up good guy, career oriented, professional engineer, family man, and dedicated to his interests in model helicopter flying and serious bicycling. His friendship will be missed. Rest in Peace my friend.

“ Our deepest condolences to Mary-Ellen and Dotsie and family at this most difficult time. We are so grateful we were able to spend time with our wonderful cousin and his family recently. We will cherish those memories forever.

Gregory lived with us in Canada during his time at University. He was just like another big brother to us. We laughed and loved him and had so much fun. We will miss him but his memory will live on in our hearts forever.

With love

I have known Greg since 1966 when we started high school at SJC in Belize City.

We kept in touch over the years and he was instrumental in forming the Belize Culture Group in the early 90's. This was a chat group that preceeded today's many social media sites.

He was the main photographer at our 45th reunion in June 2015 in Belize City and we met again in June 2016 in Biloxi, Mississippi when my wife and I were on a cross-country trip and he treated us to a wonderful dinner in Gulfport.

I sincerely appreciated his friendship over the last 52 years and I greatly admire his courage as he faced his battle with cancer.

I will miss you Greg. Sleep in peace my friend.
