“ *I'm so sorry for your loss and the fact that I just learned about Mr. Quill's passing. When I first started working for Napa Mr. Quill trained me as a driver. I never will forget how he showed me around the Laplace area and taught me some valuable lessons about the people of that area and the manager of the store . He told me one time Lee don't let that manager get on your nerves his bark is worst than his bite. I later had the pleasure of working with him in the Kenner store.... Well I know the Tigers have a little more pull up in heaven now that Mr. Quill is up there pleading there case for another championship with the Big Coach..... My thoughts and prayers are with y'all....*
