“ *Pawpaw I just want to thank you for being me steady constant in my life. I have wrote a very nice letter for you that I will read at the funeral. With so much uncertainty in my life you and mawmaw were always the one constant I knew I could count on. Not a day will go by that you are not on my mind and I won't love you. This is far from a goodbye, this is I'll see you later. Thanks for being you all these years. I love you*
