“ *Dearest Teresa, I just learned of your loss and did not have an address to reach out. I hope this reaches you and conveys my deepest condolences. I have nothing but great memories of Herbie, you and your family (including the puppies that grew into large family members). We have been in each other's lives since 1980 and just want you to know that if you need anything that I (and Lt. Gary) will be there. His love for his family is what I will always remember. Love Joannie the other half of car 316.*

“ Our hearts are heavy for you and your family. It is bittersweet loosing someone so loved but the joy knowing he is at peace with our Lord and Savior.
Matts words spoken of his dad were so touching and honorable. The service was so beautiful and special. The song ‘I Bowed My Knees and Cried Holy’ moved your heart to wanting to be in such an awesome Gods presence.
We appreciate and love you guys so much and lift y’all up in prayers. Bob and Billie

“ He was funny, loud, boisterous and so much fun to be around. Spoke his mind. But was also kind and generous to a fault. We love you Herbie. We will see you again.
