“ *We were friends 29 years ago in the DA Office. 2 years ago we were connected by FB and spend wee hours in the night catching up on our lives. I heard he was ill and just learned of his passing. Sending prayers to family and friends at this time. With much love

“ *For 22 years, every time I walked into court, I was greeted with a
"Hello Lady" and a smile from Howie. While we were always on
opposite sides of cases, Howie treated me with kindness and
respect. He will be missed. Rest In Peace Howie.*

“ I became friends with Howie in the 1960s when we both went to Jesuit High School.

Howie is one of the few individuals that I have met in my lifetime journey on this planet that I have truly admired as an attorney and more importantly as a person.

He was an intelligent, gracious and compassionate human that exemplifies what everyone should strive for.

I met with him at his son's home in Shriever , La. 2 days before he passed away, and shared my sentiments with him (although frankly, I am not sure he realized the full import of our meeting, as he drifted in and out of consciousness.) But he was not in pain and appeared to recognize me.

He will be sorely missed by family and friends.

May his soul and his spirit rest in eternal peace.

“ All these years later I still have a warm, smile-inducing remembrance of Howie from our high school days at Jesuit. Great laugh and smile. So sorry to hear of his passing. Condolences to his family. RIP, Howie.
