“ I met Irmgard when I was in Rainbow Girls a long, long time ago and instantly fell in love with her! I always looked for her at functions, and I'm so glad to have seen her recently. We've had a 45-year friendship filled with laughter and fond memories, one being this silly plastic cotton ball and swab container she gave me. I still use it, Irmgard, and will forever treasure it.

Welcome her now into paradise where there will be no more sorrow, no more weeping or pain, but only peace and joy with Jesus your Son, and the Holy Spirit for ever and ever.
