“ I know it's hard to find words... 'cause as much as I'm so sorry for your loss, I also rejoice in knowing that Isai is in the presence of our Savior, and he is worshipping our Heavenly Father at this exact moment.

*I had only had the honor and privilege to know Isai for just a short time... But he definitely showed me the love of our Father.... and I'll be eternally grateful for having known him.*

*God bless you, especially in these difficult moments ahead !!!*

*It's hard to believe. I had the privilege of praising the Father with him a couple of times. He was so into his praising with his music. So admirable for such a young man. Comfort and condolences to the family. I know he's rejoicing now praising our Heavenly Father face to face.*
