“ *My prayers and condolences go out to Mr. Hayes' family. He gave me my first "real" job at WD 1412, made many friends while working with him and it was the start of who I am today. I am just not sure if heaven can handle Jack, Dennis Faust, and my Dad, Don Loisel, SR. Those three were a trio that could bring tears of joy to your eyes.*

“ *My prayers and heartfelt condolences. I've know Jack for many years, I met him when he was managing Winn Dixie on Harrison Avenue. He was the kindest and most loving person always with a smile...The truest testament to a life well-lived is the memories we leave behind. Celebrating with you a life that touched so many...celebrating memories that will always remain... Sincerely, Laura-Lynn Greer*

“ *Mr. Jack, you will always be one of my favorite people. I still have my Honey Joe bear from Winn Dixie that you told Timmy to make sure I got. We had lots of great times running and hanging out. I'm sure you and my dad will catch up in heaven and drink a few beers. Be with God. Monica Wonycott Chiappetti.*

“ *I worked for Jack Hayes part-time for 5 years while I was in school. He readily accommodated my calendar. I can look back 40 years after a career in engineering at how much I learned about management and leading people on the floor of the Williams Blvd. Winn-Dixie. Thank you Mr. Hayes.*
