“ My heartfelt sympathy on the loss of your beloved mother, grandmother, great-grandmother, sister, and friend. Some of my fondest memories are with Jackie. We worked together at Sears for a lot of years. She was not just a coworker but a very dear friend. We confided in each other, laughed (a lot) and worked well together. I know she took Roger's death so hard and now she is reunited with him. May God comfort each of you as you mourn the loss of this dear lady. RIP my friend until we meet again.
