“ *Wow, same here as Stacy said. Ms. Jackie was one of the sweetest and kindhearted person I ever knew. She always had a smile on her face. She always made you feel welcomed and a part of the family. She had to be special to put up with all us girls sleeping over at her house dancing and playing loud music all night, lol. I have a lot of great memories with her and the family thru my childhood years. I often pass thru our old neighborhood and remember all the good times we had. I will never forget her kindheart & loving smile! She will be in our hearts forever!*

“ Growing up across the street with Tiffany, I came to love Ms. Jackie and Mr. Mickey as another set of parents. They always welcomed us into their home and into their hearts. They loved us as though we were a part of their family. It's been several years since I've seen Ms. Jackie, but I remember her smile and will forever. She will remain in my heart forever and always.
