“ *Our family was very sorry to learn about the passing of your wonderful Mother. She was such a loving, caring and special individual to so many of us growing up.....the perfect mom of the neighborhood. I have so many great memories and things that I think of just make me smile,I cry and laugh. Wow we were all blessed so much to be able to have her as a part of our life at some point of our lives. Even though time goes buy and we may not have seen each other for some time God never has let me forget her beautiful smile, beautiful face and her great character. Loosing a loved one is so hard but my experience with loosing my mother has been devastating as well to Johnny loosing his mother. I can say that our thoughts and prayers will be with each and everyone of you. It took time to get some sort of peace for both of us, and I will pray that you all can find some type of peach and closure to this tragedy. We love all of you and will keep you so close in prayer and in thoughts. The only thing that we would like to encourage all of you about is believe us.....Jackie Ma is directly next to all of you. We can't see her beautiful face anymore but she hears and see's everything that we do. She is going to be a guardian angel to so many.*

Until we meet again.....may God Bless
