“ *I never knew anyone else who could appear so gruff on the outside, yet be such a softie on the inside. Jackie was the perfect friend- loyal, generous, fun to be with, and always told you like it was. I had the privilege and pleasure to call her my friend for the last 21 years and I will miss her dearly for the rest of my life.*  
*Love you Jackie,*

*Jackie you and Gerrie were among the first friend I made when I started my journey and it was hard but you guys were always there. You were always kind & funny and I miss you so much but I will never forget all the good times we all had, I'll never forget the times you were there when I needed a friend and when you wouldn't let me drive which probably saved my life. I am thankful and blessed that I got a chance to know you and have you in my life all these years. You will always be in my heart & I will never forget you. I love you Jackie. Wearing my black and gold in Dallas for you. I wish I could be with everyone to celebrate your life. Rest In Peace my sweet friend*
