“ I only knew Jaimie online. We played D&D together. She seemed like a really sweet person and a very talented artist. Everyone from the group we played with were saddened by the news. Our thoughts are with her family at this time. We will miss you Moody.

“ I still can't believe the news... It's taking a while to process this. You are so missed and it hurts so much to know you are gone.. I will hold every piece of art that you've done for me close to my heart. I hope you are resting peacefully.. You were an amazing, creative and beautiful individual. Be at peace with your soulmate.

“ *I will always remember Jaimie's drawings on Facebook and how they made me think of when I was a child and loved reading stories about fairies, nymphs, etc. They made me happy when I was having a not-so-great day. I know she is at peace now with Thomas...*
