“ *I loved seeing all the pictures when he would get together with his family. Always so happy. Always smiling and always dancing.... If I would not have had to return to work yesterday after 3 weeks I most definitely would have been with his family. He will be missed by many... my deepest condolences to his entire family....*

“Curtis was a good guy and good friend to my family and extended family, the Robichaux's for many years. He was always at family gatherings.

Curtis gave the nicest, funniest and yet most heartfelt eulogies at the funerals of his four good friends the Robichaux brothers. It meant so much to our family.

I would like to share a memory I have of Curtis when many years ago now he had arranged a fishing trip with my grandpa and two uncles. I was just a young man at the time but he wanted me to go. We went on a Lafitte skiff that belonged to one of his friends down near Empire. We had the greatest time and caught speckled trout and an ice chest of shrimp and crabs. It is a memory I will always cherish. My grandpa and uncles had a great time also and Curtis was loving the fact that we were having such a good time. It was a trip that probably never would have happened but for Curtis' wish to do something nice for friends.

On behalf of my family and extended family I would like to offer my sincere condolences and prayers to all the family. May he rest in peace.

“My deepest heartfelt sympathy goes out to you all on the loss of your loved one. It was obvious how very much this man was loved and respected throughout his 91 years on Earth. It is never easy to lose someone in our lives, but let there be peace in knowing they will suffer no more. What a wonderful, long life he lived and what wonderful memories you all must have to hold onto! God bless you all as you deal with your lives without him, but find peace in knowing you will meet again.... Love to you all from the Freitag family.....

“ My deepest condolences to his family. He was Uncle Curtis to me. He was my Godfather, and a beautiful and kind man. Through my life he has never forgotten, not even once, to see me, or call me to let me know He was thinking of me and wishing me a Happy Birthday. He also treated my twin sister the same respect 🙏👐. After 61 years he never forgot me. I have much love and respect for him. I will never forget him. I will continue to pray 🙏 for his wife Olga and all of his family. May he rest in peace.

“ Will always remember him as my second Dad. He taught me how to fish, shoot, crawfish and pick berries down in the spillway. He took me to places I have long since been gone from but remember them fondly. He was a kind and gentle spirit. His love of family and friends should always remind us how special it is to have those blessings in our lives. I extend my deepest condolences to all of his family. He was a treasure to hold in my heart and will always be there. God bless you "Big John" and may he welcome you to the gates of heaven and eternal rest.
