“ I am so glad Bob and I were able to talk with James just prior to his passing. What a warm and loving partner he has been to our brother Jimmy. He brought so much love and joy to him through all these years together. I had the pleasure of meeting James many years ago and only wish we had the opportunity to know one another better. The miles often keep family apart, but Jimmy and James have always been in our prayers and hearts. God Bless you both and although we cannot be there, know we are thinking of you daily. Love you so much!

Bubba I have always loved you, and will throughout the rest of my life, from the time you came into my life, till the time you left me so fast, something that just wasn't suppose to be!!! I remember growing up, that time that I thought those boy"s though that rock, that hit me, cuz I told them, that they better not mess with you!!! Kicked all three butts, and Mom running down the road yelling, Tammy Ann you better be lady like, and that i wasn"t, and pulling me off, so I wouldn't get in trouble!! But we get to the front door, and you laughed and said that was funny, but I though the rock, and Mom just couldn't get to us, you ran to the bathroom and locked the door, like so many times before!! You gave me a great last talk and we all laughed so hard, you, Jimmy and me. Brenda and I fishing trip, how I could say a story about the fish that got away, and how you could see me just mad as a hornet or two, and Brenda trying to claim me down., and your laugh with that star in your eyes!! I laughed so hard!!! Thank you!! always in my heart I LOVE YOU MY BROTHER ALWAYS!!!
