“ *Stopping by to say hi and I miss you and Ms. Connie and love you both like my second set of parents. I am about to retire so Buckwheat and I are surely going to end up in jail somewhere, i know that will make you shake your head but laugh because you will know we will be living life to the fullest.*

Tina and I bought a lake house and I wish you were here to share in my joy. I know you would be proud of me.

“ Very sorry to hear of Jamie's passing. He was always joyful and quite entertaining even when he was complaining about work. I remember him talking about his travels and how much he was enjoying retirement. He will be missed. I pray God will keep you in his loving arms.

“ *Dear family,
I would like to express my sympathy to you all. I knew Jamie from work and having to go to the warehouse for time to time. He was such a happy and jolly person. I can still remember his voice and laugh. I'm grateful to have had the opportunity to work with him. He will always be remembered.*

“ *Jamie was one of my grandmother's (Isla Jean Sergent) dearest friends. I have fond memories of being picked up at the airport every time I came to visit. We thought of Jamie and his wife Connie as members of our family and enjoyed our visits with them. They both hold special places in our hearts as another set of grandparents that loved us. He was a Saint to my grandmother and will be dearly missed.*
