

Jamie Lynn Longstreet

June 5, 1989 - April 3, 2020

It is with great sadness that we announce the passing of our beloved daughter, Jamie Lynn Longstreet, age 30, on Friday, April 3, 2020.

Jamie was born in Metairie, LA to Sidney and Debra Longstreet on June 5, 1989.

She was a graduate of Grace King High school in 2007.

Jamie moved to Cincinnati, Ohio where she attended the University of Cincinnati.

Jamie was a people person and she loved working as a server in the restaurant industry, which she did for many years.

She returned back to New Orleans in 2018 because she wanted to be close to her family, especially her Mimi that was diagnosed with cancer.

Jamie loved our yearly family reunions at Flint Creek. She loved skiing, swimming, mini bike riding, and would practice all week for talent night. She especially enjoyed hanging out with her cousins. She tried fishing, but caught a pelican instead.

Jamie had a loving and caring personality. Despite her beautiful smile and contagious laugh, deep inside she was suffering in the darkness. Privately battling a deep inexplicable pain. We know that she is without pain and is now at rest in Gods arms.

Jamie will be deeply missed by her parents, Sidney and Debra Longstreet Her two sisters, Tiffany Ryals(Scott), Shelley Calamia (Dustin) Her four nephews, Braydon, Harper, Scotty and Brennan.

Her grandparents, Lee and Mary Longstreet.

Her loving Aunts, Uncles, Cousins and many friends.

Jamie has been reunited with her loving grandparents, Henry and Leny "Mimi" Boudreaux Her rocking Aunt Brenda Davis "Bebe" and her loving sweet cousin, Kelle Davis Jackson. When you think of Jamie, celebrate the good memories you have of her.

A private celebration of Life service for Jamie will be held at a later date.

Please consider sharing your thoughts, favorite memory or condolences at www.muhleisen.com

In lieu of flowers, please be kind to one another, share your struggles, fears, and joys, be present and patient in each other's journeys. And when love seems to fail because sometimes love is not enough to ward off health conditions~ then love more, pray more, talk more, learn more, live more.
