“ *My first remembrances of Jana becoming close friends with her family at my age 18 her age 11 was her desire to go everywhere and do everything Mike and Chris did with the youth group at Hickory Knoll. Many favorite memories - will have to say sweetest one was Jana describing how she met Mike and that he was the one she would marry. Her faith in God shines through her ministry with family, friends and nursing. Mike and family , you're in my thoughts and prayers here in South Carolina every day during this difficult time of your loss. Carry the torch for Jesus with courage for it burned brightly in Jana. Love always, Jadi Martin*

“ Jana touched the lives of many of us who knew her as well as the patients she cared for. We will hear her cheerful voice in our minds and strive to come close to being the type of person and nurse that she would admire (as we hold her in our deepest regard). My condolences to her family and friends. My prayers are with all of you.

“ I just can't believe this is real, still hoping I'll wake up from a bad dream. You have always opened your heart and family to me. I can't count the number of times. You've been family since forever. I'm going to miss you so much. You haven't just opened your heart to me, you've done this with everyone you've ever met. You will be missed by everyone. I know you'll be a guardian angel to your entire family. I know your in Cannens Land and your soul lives on. I'll never say goodbye, I'll say I'm gonna be good because I want to see you again. I love you, Judy Carey Fitzgerald
