“ *Jane loved entertaining and preparing for all our gatherings. Never followed a recipe, so if you liked it she couldn't provide the recipe. Whether it was 4 people or 50 she Always had too much food. I will miss the gatherings with her the most. Jane loved getting unique gifts which most of the time came with an explanation of her thoughts on why she got it. Traveling with and her knowledge of places and things were remarkable. She loved her family, nothing made her prouder. I will miss her tremendously. I really wished she lived longer so the twins could remember their Aunt Jane.*
