“ *I'd like to send my sincere condolences to Janene's family & friends. I am still in disbelief. We got reacquainted & shared many many memories, laughed, smiled, joked. All the long, sincere talks, cooking, & planning to have a pj sleep over with a few friends. I will also remember how much love you gave to people & expected nothing in return... that was the selfless you ❤️ You will remain in my heart baby girl. Love You & Missing You*

“ *Janene, what a shock when I saw that you passed so suddenly. Your family and friends in your life, will mourn for our loss of such a truly amazing and gentle person you are. But there's joy and happiness for you to be with Jesus and Lenny, and the ones who went before..and the knowledge that you are so loved by so many*

You are the first one I spoke with in the morning and the last at night. I miss you so much. My sweet angel. I have no doubt you are in heaven. Save a place for me. I Love you. Your BFF Colleen.*
