“ Richard, Dondi and Monti, it is with my heartfelt sorrow that I just found out about the loss of Janet. I worked with Janet at Charles Dennery for 4-1/2 years at my first job out of High School. She was a hoot then and everytime I saw her after that was always laughing. I always sent the family Christmas cards every year and one year she sent me one and with the word beginning "surprise". One year I ran into her and she said she always looks forwards to my Christmas cards. I know God has called an Angel to Heaven to watch over her family from Above. May Janet Rest in Peace Amen.

“ I am so sorry for the loss of a great friend. I worked with Janet at Av-Med for 10 years. We were really close. As time goes by, you tend to loose contact and I really wish we would have done more things and kept In touch. She will be missed and was a really good friend.

*My condolences to her family and may she Rest In Peace!*

“ I am heart broken about the news and loss of Janet. We worked together at Coventry/Aetna and I was a new comer to the group that had worked together for years. She took me in an invited me to the group which I coined “Lunch Bunch” and I was treated like a friend that had worked with the group for years! I so loved her sprit and feisty personality. I will treasure the memories of our lunches and working together. Rest In Peace my friend until we meet again. Much love to your family who are grieving your loss. 🙏🙏🙏 Pat Starnes

“ We were neighbors and friends of Janet and Richard for 46 years. Like all moms her main love and concern was for her family and her faith. She was full of life and loved sharing time with family and friends. She worked very hard at her career and was one of the most generous people i have ever known. Dondi, Monti and her grandchildren were the light of her life .Over the years we spent at lot of time with Janet and Richard on trips and outings and always had good time. We had our annual Crusin the Coast trips which lasted 3 days each year. There were the Shrimp, Crawfish, Crab boils and Fish Fry's and was always a good time, I could go on forever about all the fun we had with them. She and Susie would talk for hours about life in general and had a great relationship. She will be missed by myself and Susie. God Bless her family and be assured she is a better place of peace and Love. Donald and Susie LeFebre
