“ *To all Janices family, my heart is with you all. I went to junior high and high school with Janice so i remember that sweet wonderful child and also that lovely lady that was my friend. She was one of a kind, funny, sweet, compassionate, and so many other wonderful attributes i cannot name them all. Most of all what i will remember her for is the beautiful love she had for her girls and her grandsons. She fought so hard to go on but always with a smile. R. I.P. sweetie, I know you are happy with Shannon, will always remember and love you. Your friend Ginny Webster Bonnette*

“ *We attended Fortier together and had lost contact for years. I was very happy when we made contact on Facebook. She was a positive, loving individual and her post confirmed what I had remembered of her in high school. Many of us were hoping she was going to be able to attend the 50th Fortier Reunion. However, she was not. She will be missed to all those who knew her especially her family.*

G-d is holding her in His arms. May all those who loved her especially her family find peace knowing that she is resting in peace.

Please know you are in my thoughts and prayers...

Take care,

Lee Ernst

“ *Janice had such a positive attitude. Just 2 Saturdays ago at Bravo's she helped another Red Hatter , with a walker, get into my car. She said, "if this isn't the blind leading the blind." Then she started laughing. We will all miss her deeply. Deanie Baroni.*

Tanya, Michael, Andrew, and Evan, I am so sorry for your loss. I will forever be inspired by her grace and determination through her illness...and humor...my god, was she funny! Just a couple of weeks ago when I dropped her off after lunch I hugged her good-bye. She walked with Andrew into the house and I really wanted to run and hug her again, but thought don't be silly, she's in good hands, Andrew has her...I really wish I had gone with my gut and given her that hug. I will love and miss you always my sweet friend.

Tanya, Michael, Andrew and Evan, the only thing I can say to help ease your pain is to remind you of her love for you four. You were right Tanya, she deeply loved her grandsons from their dinner dates and movie trips and those games they played, how she loved seeing them and their sports. But Tanya, how she spoke about you.....she knew you endured a lot in so many ways after Shannon's death and she always wished she could have taken that pain away. Her time spent with all of you at the end was so precious to her.

I will miss my buddy, our happy days were the best. Her sense of humor and her little quips could bring you to your knees laughing. All of our friends will feel this loss. Please know that all of you are in our prayers.

Tanya, Michael, Andrew and Evan, There are so many wonderful memories that I shared with your Mom. I always told that she was my hero in the way she handled her illness. Everytime a doctor said the end was near she would defy the odds. She wanted to be "living" with cancer not dying with it. And like everyone is saying her humor and attitude was beyond belief.

She always kept her Red Hat sisters laughing. We will miss her so much but we know she is happy with her Shannon. RIP my friend. Love you.
