

Jasper (Jack) Frabbiele

December 30, 1936 - August 5, 2011

Jasper (Jack) Rosario Frabbiele, after bravely fighting cancer for six years, courageously left this earth and joyfully entered Heaven on August 5, 2011 at the age of 74. He is preceded in death by his parents, Hilda Louise Levins and John Wallace Frabbiele, and his brother, Howard Frabbiele. Left to remember him are his wife of 55 years, Joan Brock Frabbiele, his children, Debra F. Rome (Dave), Kim F. Gauchet (Keith) and Joseph Bosia Frabbiele (Lisa). The grandchildren who will forever remember their Pawpaw are Amy Rome Guevara (Ben), David Rome, Ashley and Daniel Gauchet, and Jacob and Brandon Frabbiele. Jack was also very fortunate to have been able to spend time with his great-grandchildren Grayson and Peyton Guevara and Kobi Rome. Jack was born into a wonderful Italian family who will miss him greatly. The brothers and sisters he leaves behind are Frank Frabbiele (Cathy), Johnny Frabbiele (Barbara), Jeannie Dufrene (Cecil), and Judy Beechler (Fred).

Jack began his legacy as the grandson of Sicilian immigrants and loved his Italian heritage. As a young man he chose to enroll in the Marine Corps and served in the 1st Marine Division at Camp Pendleton. He was proud to be a Private First Class in the Amtrak's Division. He met Joan, the love of his life, as a teenager. Both of them had movie star faces and were a smashing couple. Jack spent 32 years working for NOPSI(Entergy). He eagerly anticipated retirement so that he could spend his time with family and at his camp. Jack absolutely loved the time he spent in Lafitte fishing. There weren't

many things he enjoyed more than taking Chico or Ziggy for a ride down to the camp to cut the grass or catch some dinner. Jack's many friends helped him enjoy his life and gave him many good times. Jack had many struggles after his diagnosis but with each hurdle he fought like a former Marine would have battled an enemy. Jack reached out to God for strength and support and accepted Jesus as his Lord and Savior. This relationship helped him greatly. He is alive forevermore since Jesus paid his full penalty. The family wishes to thank Doctors Russo, Gurtler, and Monsour for their skill and expertise in his treatment. They would also like to express gratitude towards the nurses and staff at East Jefferson General Hospital in making his journey to Heaven peaceful. Josie Lanzatta and helpers are also thanked for their time and many efforts towards his happiness. The family is eternally grateful for the many happy memories Jack left them to enjoy.

Relatives and friends are invited to attend the funeral. Services at the Kenner Funeral Home of L. A. “ I grew up on Crislaur with the Frabbiele family. Jack was 5 years older than me but Frank and Johnny taught me how to shoot marbles, catch frogs and how to climb the trees and swing from the rope in the park behind our houses. Jeannie and I would play together sometimes but Judy always liked to "pick on me". Those were the good old days when we waited for the ice cream man and try to catch lightening bugs. I still keep in touch with Kaarin Cook and Theresa Junker. The old neighborhood is not the same. Mom Passed away at 90 years old from Alzheimers Jan. 7, 2010 and we still miss her and her lovely ways. My husband and I are trying to stay in her house and not turn it into apartments. Since Dad built this house in 1942, this is home! I know Jack will be missed and our family's prayers are with you at this time.

“ Always a gentleman and always very kind to my family. You gave me the best Sister-in-Law in the world (Debbie) and my beautiful neice Amy and nephew David along with Grayson, Peyton and Kobi. What a legacy you own. God blessed you on earth as He is in Heaven. Ms Joan, I love you and please know you are in my thoughts and prayers, as are Kim, Joe and the rest of the family. God bless you all. With all my love.
