Jeanne "Nunie" was born in New Orleans, Louisiana and moved to Bay St. Louis, MS where she attended high school at St. Joseph's Academy High School. At the age of 18, she returned back to New Orleans, got married, and had 4 children. She later divorced and became a single mother raising her 4 children on her own. She was the Assistant Office Manager for Ray Mercantile Company, New Orleans, 1958-1964. Consul, Maritime Commercial Officer Consulate General Panama, 1964-1972; Manager, McDermott International, Inc., since 1972. Through her perseverance and dedication, Nunie climbed her way from a

Ray McDermott, Inc., she won many prestigious honors that included "1990 Woman of the Year," "Most Admired Woman of the Decade," "Community Leaders of America," "Outstanding Professional Performance," "Who's Who in Finance and Industry," "5000 Personalities of the World," "Personalities of the South," "Who's Who of American Women," "World's Who's Who of American Women," "2000 Notable American Woman," "Roll of Honor-International Leadership Award," and "Partner in Education". In addition to supporting her own family, her generosity to her community was endless, and she was a true supporter of No Child Left Behind. She would always go out of her way to make sure any less fortunate child she knew did not go without. She was an advocate for Chinchuba Institute of the Deaf, she hosted entire Christmas parties for the Louisiana School for the Deaf, she sponsored Hope Haven of Hancock County, MS by donating a home to the abused children to have a safe place to live, and she contributed to the Mission Love Seeds to help families in Kenya. She volunteered so much of her time and belonged to the Fundraiser Bayside Volunteer Fire Department,

Not only did her huge heart touch the lives of so many people, her compassion for animals was immeasurable. Whether she found them roaming in her neighborhood or she saw stray cats outside of a restaurant, she was not leaving them alone until she made sure they were fed. She also donated to numerous animal organizations to help save the lives of so many stray or abandoned animals.

Whenever she was not devoting herself to her family or her friends and communities, Nunie enjoyed traveling to her favorite city, Mexico. She also took pleasure in camping, bowling, playing claw machines, and going to the casinos. After fully retiring in 2015 at the age of 82, she loved to frequently visit with her family and friends in Bay St. Louis, MS, which became her second home. She always kept up to date with her family and friends and was known as the "Facebook Queen."

All of her life Nunie worked hard and made many sacrifices so that her family would not go without, but her "proudest accomplishment in life" after raising her 4 children on her own, was raising her granddaughter, Tammy, as her own daughter.

She was a remarkable woman that will be deeply missed by all those who had the honor of knowing her or were touched by her grace.

I remember Jeanne as very caring, full of vim, vigor and vitality. She was a special lady in my brother's life. It was very touching for her to attend my brother, Jerry Dunn's funeral 10 years ago. What awesome accomplishments she made in her life. You have to be very proud of her.
